

Quasset School Advisory Committee
Meeting Minutes of
July 15,2015
Historic Society Building 3P.M.

Present-Elaine Lachapelle, Alan walker, Lyn Smith, Irene Wheeler,
Brian Musumeci

Meeting called to order at 3p.m.

Motion by Elaine seconded by Alan That the minutes of the May 20, 2015 be accepted as read. Motion approved with no corrections.

Discussion of Ads for Quasset Days that are open this summer and other places Ads could be placed free of charge. It was not in the Villager, In the Town Crier one time, Will try Shoppers Guide and perhaps on WINY public notices.

There are no State grants at this time. The town can have no more than one state grant at a time, the Cemetery Assoc. has one so we must wait our turn.

The two new windows look really nice, but the rest are in bad condition and the two north ones at the back are in really bad condition. Can we ask Donna if we could put out change cans for donations as we need about \$750 for each window and we have 8 more to do. Myra stated she could as for dress down money at school at least for one week or more. Elaine will get a quote from Gary Morgan for the framing of a window. (The sills.) Alan will ask the Selectmen to request the Board of Finance for \$20,000 or \$25,000 for Quasset School for the windows. He will do this in the next couple of months.

We need to confirm that our Historic Property, Quasset School, is on the State List of Historic Properties.

Discussion of cleaning of Quasset and whose job it is to keep it clean after the Teacher's have used it. It was left in disarray and Myra had to clean it on the first day it opened for guests.

We need a new Wood box to hold the wood for the stove. Presently we do not have one and often use cardboard. Brian has said that he could do this, perhaps by next spring.

We began to investigate the boxes and paintings including Ed Bowen's collection of various items that belong to the Quasset School and are held in the Historic Society Vault.

The items need to be photographed and itemized and we need to continue at a later date. Suggested meeting August 15, 2015, at 9am. Val will bring archival tissue. It may be possible for the Historic Society to display these items for the spring of 2016.

Elaine announced that the Red/White School will be opened by the Historic Society once before the Fair and once after it during 2015. She will let us know the dates as soon as she gets them. The building is being painted at this time.

Motion made by Elaine seconded by Alan to adjourn. Motion accepted at 4:05 p.m.

Respectfully submitted,

Irene Wheeler, QSAC Secretary
